FROM THE DIRECTOR PRINCIPAL'S DESK...

**"Children are born with artistic sensibilities.
It is the endorsement at a youthful age
that kindles their ingenuity and chisels
their talent."**

"In diversity, there is beauty and strength. Mélange is where we celebrate both."

Seth Anandram Jaipuria School with its vision to empower, enthuse and excel is organizing its annual extravaganza Mélange 2023.

Creativity is the secret sauce to science, technology, and life." As we embark on this journey, I am reminded of the magic that ensues when young minds come together, transcending the boundaries of their schools, to create, collaborate, and compete.

From the poetic charm of "Verses" to the vibrant performances of "Seasonal Beats" from the intellectual rigor of "Ace The Speech" to the cultural vibrancy of Mélange promises an array of events that cater to a spectrum of interests. Whether you're an emerging poet, a dynamic orator, a visionary artist, or a budding scientist, there's a stage for you. Our commitment to holistic education is reflected in such fests, where learning and growth extend beyond textbooks. Mélange 2023 epitomizes this spirit. It's an opportunity for students from various schools to showcase their unique skills, collaborate, and learn from each other.

I encourage each participant to embrace this opportunity, to engage wholeheartedly, and to make Mélange 2023 a memorable fest.

Let's come together, celebrate talent, and create memories that will be cherished for years to come.

Shalini Nambiar

GENERAL RULES AND REGULATIONS

This event comprises of an array of online & offline events for students of classes Prep - XII.

- Confirmation of participation latest by 28.10.23 on the below mentioned link.
- Reporting time for registration of participating team is between 8:30 am to 9:30 am.
- All participating teams to report in proper school uniform & must carry their school I-card.
- At the time of registration, each school will be allocated a “school code”, which will be taken as their identity for all events.
- One student can participate in a single event only.
- Class groups to be adhered strictly. Students to be selected from each class as per class group.

However, for open category, students from any class may participate.

- Each event has a set of specific rules & regulations, mentioned under each event.
- Use of any unfair means is strictly prohibited and will lead to disqualification.
- Judges' decision would be deemed final for all the events.
- Results will be declared on the school website / Social media handle / Cyber Crew website.
- It is mandatory for the winning team to collect the event prizes on Day - 2 i.e. 04 November 2023.
- Event details & guidelines are attached along with the brochure.

ENGLISH

Trendy Trot

THINGS AROUND US

Event Rules

- Class: PREP
- No. of Participants: 1
- Time: 2-3 min.
- Participants have to walk the ramp with a costume related to the things around us & speak about the same.

Judgment Criteria

Costume, innovation speech and overall presentation

Verses

STORY INTO POEM

Event Rules

- Class: VI - VIII
- No. of Participants: 2
- Topic: On the Spot
- Time: 45 min. to prepare the poem
2-3 min. (presentation)
- Participants will be given a passage /story or a theme on the spot. They have to read and form poetry and present it accordingly.

Judgment Criteria

Proximity to the topic, rhyming, content and overall presentation.

Voice Up

RADIO JOCKEY SHOW

Event Rules

- Class: IX- XII
- No. of Participants: 1
- Topic: Social Networking
- Time: 2-3 min.
- Participants will host a radio show on the given topic as a Radio Jockey.
- Participants may use musical instruments to make the event enthralling and lively
- Content should not carry

Judgment Criteria

Voice clarity, content & style, diction & humor, originality & creativity

Flex your Reflexes

CHALLENGING RESOLUTION

Event Rules

- Class: IX-XII
- No. of Participants: 2
- Topic: On the Spot
- Time: Preparation Time (20 min.)
Presentation: 5 min.
- Participants will be given a formidable crisis situation.
- The topic given will come with some challenges and has to be innovatively tackled by individual teams.
- Insightful questions may be asked by both judges & other participating teams.

Judgment Criteria

Ability to solve the situation, confidence, speech clarity, kinesthetic involvement.

Tireless Talks

MEME JACKING

Event Rules

- Class: Open
- No. of Participants: 1
- Topic: On the Spot
- Software: any online tool(open Source)
- Time: 1 hr.
- Participants have to frame digital memes on the given topic.
- Memes will be uploaded on Social Handle (host school) for open voting.
- Link to vote will be shared on school's website.
- Voting line will be closed on the same day at 6.30 pm

Judgment Criteria

Maximum Votes

HINDI

आहाहन
STREET PLAY

Event Rules

- Class: IX - XII
- No. of Participants: 8 - 10
- Topic: 'कर्जा विदेहन' आओ कदम बढ़ाएं, हमारी धरती हम ही बचाएं
- Time: 6-8 min.
- Costume: jeans, kurta and dupatta
- Participants may carry musical instruments like Dholak, Daphli etc.

Judgment Criteria

Script, co-ordination, dialogue delivery, over all presentation.

नवांकुर- एक सांस्कृतिक सम्पति
PUPPET SHOW

Event Rules

- Class: VI-VIII
- No. of Participants: 3-4
- Topic: Any Topic with a moral value
- Time: 3 min. max.
- Participants may carry musical instruments to make the show more appealing
- One common backdrop will be provided to all the teams. However, participating teams may carry their own backdrop.

Judgment Criteria

Topic, technique, props, message

GERMAN

Buchleinband Design

DESIGN A BOOK COVER

Event Rules

- Class: VI-VIII
- No. of Participants: 2-3
- Topic: Design a book cover
- Time: 1.5 hrs.
- A3 size sheet will be given by the host school. The required decoration material will be brought by the students.
- General layout of the book cover should be organized & designed with healthy dose of colour, contrast and creativity

Judgment Criteria

Content, relevance to theme, originality & creativity

FRENCH

Les Super Héros du G20

COMIC STRIP

Event Rules

- Class: VI-VIII
- No. of Participants: 2
- Topic: Les Super Héros du G20
- Time limit: 1.5 hrs.
- Participants to prepare a comic strip on the given topic.
- The topic should be designed with minimum of four and a maximum of eight panels.
- Materials to be brought by participants.

Judgment Criteria

Theme, creativity, aesthetic value, overall

MATH

Shapes Galore RAMP WALK

Event Rules

- CLASS: VI - VIII
- Number of participants: 3
- Topic: Fashion Fiesta
- Time limit: 1 hr(Preparation time) and 3/4 minutes(Presentation time)
- Teams to design a dress made up of Geometrical Shapes and use of symmetry
- Depiction of any dress(Either boy or girl)
- Cutting and pasting should be done in the given duration.
- Participants will bring their own material. One member of the team will walk the ramp wearing the costume while the other team member will explain about the shapes used and symmetry.

Judgment Criteria

Creative Ability, relation to the theme , number of geometrical shapes used, symmetry in design

π Rates of the Future MODEL MAKING

Event Rules

- CLASS: IX – XII
- Number of participants: 2
- Duration: 1 hr(Preparation time) and 4/5 minutes(Presentation time)
- Topic: Event: π -rates of the Future (Applications of Conic Sections OR Use of Mathematics in Architectural Designs)
- Teams to design a model based on any one of the following mathematical concepts with waste material.
- The model should be based on real life application.
- Participants will carry only waste material and assemble the model at the venue.
- Maintaining the sustainability of the material used is a must.

Judgment Criteria

Concept clarity, feasibility of application in real life, sustainability of waste material used, overall presentation

SCIENCE

Filtelite CONSTRUCT A WATER FILTER

Event Rules

- Class: III-V
- No. of Participants: 2
- Time: 1 hrs. (Preparation time)
4/5 min. (presentation time)
- Each team will create a water filter by using waste materials (bottles, charcoal, cotton balls etc.)
- They have to demonstrate to get clearer & purer water from the filter they have designed.
- All materials to be brought by the participating teams.
- Purity of water will be checked by the host school.

Judgment Criteria

Innovation, ideas, outcome and presentation

Inno Model SCIENTIFIC EXPLORATION

Event Rules

- Class: VI-VIII
- No. of Participants: 3
- Time: 1 hrs. (Preparation time)
4-5 min. (presentation time)
- Each team will be provided with a sealed paper bag, containing variety of objects from everyday life.
- Participants have to create a model/games using the given items and exhibit its scientific principles & effects in our daily life.

Judgment Criteria

COMMERCE

Brand Buzz

BRAND EQUITY AND GOODWILL

Event Rules

- Class: XI-XII
- No. of Participants: 3
- Topic: On the spot
- Time: Round I / 30 min – preparation time
5 min. – presentation time
- Round II/ 5 min - presentation time
- Each team will have to pick a chit wherein a crisis/campaign/issue will be stated.
- Every team will get 30min to prepare a skit/ Advertisement.
- On random selection, a team will chose to perform, wherein that particular will have to highlight the root cause, how that particular issue can be solved through marketing and communication, talk about industry scenario, budget allocation, etc.
- Out of all the teams, top 10 teams will be chosen for round 2. In round 2, each team will talk about CSR Goal for that company – showcase sustainability aspect from brand angle
- Out of those 10 teams, top 3 will be selected – they'll compete against each other on why their brand should be preferred by the customer.
- The winner will be chosen out of top 3.

Judgment Criteria

Innovation, concept clarity, time frame, presentation

ART

Graffiti Wars

GRAFFITI

Event Rules

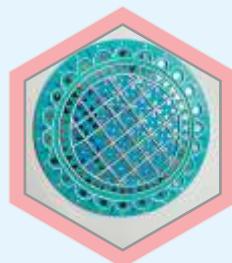

- Class: IX-XII
- No. of Participants: 3
- Topic: G20-2023
- Time: 2.5 hrs.
- Participants have to bring their own materials like acrylic paints, spray paints, brushes, sequins, 3D paints etc.
- Quotes can be used to make the art piece more appealing.
- A Canvas of 4x6 feet will be provided by the host school.

Judgment Criteria

Creativity, relevance to the topic, colour scheme, overall presentation.

Craft Era

LIPPAN ART

Event Rules

- Class: IX-XII
- No. of Participants: 3
- Topic: Culture of India
- Time: 2 hrs.
- A base of 18' mouldit fevicryl board(round) will be provided by the host school.
- The art piece should be created using lippan art technique.
- Participants have to bring all art materials to prepare the art piece.

Judgment Criteria

Creativity, relevance to the topic, colour scheme, overall presentation

Earth X PROTECTORS FOR THE PLANET

Event Rules

- Class: Open
- No. of Participants: 2
- Time limit: 2 hrs.
- Topic: Sustainable initiatives against climate change
- A group of abstract shapes will be given to the teams.
- Participants have to create an art work by using those shapes on the given topic.
- Participants have to bring all art materials to prepare the art piece.
- An A3 size of paper will be provided by the host school.

Judgment Criteria

Creativity, relevance to the topic, colour scheme, overall presentation

ROBOTICS

Arial Aviators CREATING DRONE

Event Rules

- Class: VI-VIII
- No. of Participants: 2
- Time: 1 hrs. (Preparation time)
5-7 min. (presentation time)
- Pilots must bring their own racing drones. Drones should adhere to size and weight regulations. The fastest and most skillful pilot completing the course wins. Safety measures are essential.
- Obstacle Course: Drones must navigate through a challenging obstacle course while maintaining stability and control
- Payload Delivery: Drones will transport payloads (such as small objects) from one point to another.
- Drones to adhere all safety protocols

Judgment Criteria

Teams will be assessed on flight performance, accuracy in completing challenges, and . Safety protocols will also be a crucial aspect of judging.

Hack @ Jaipuria 24 HOURS HACKATHON

Event Rules

- Class: Open
- No. of Participants: 2 teams max. from each school with 4 participants (per event).
- Time limit: 24 hrs
- T R A C K S – Hardware/software
- (Teams are allowed to select any theme as per their wish)
- Participants will carry the relevant material(Laptop, Mobile any other required gadget etc.)

Description: This competition will focus on artificial intelligence and coding skills. Students will develop AI-driven applications or solutions to solve real-world problems. Participants can work individually or in teams.

Project Ideas:

- AI Chatbot: Create an AI chatbot that can answer questions, provide information, or simulate human conversation.
- Image Recognition: Develop an image recognition system that can identify objects, animals, or landmarks from images or live video feeds.
- AI in Healthcare: Build an AI model to analyze medical data, diagnose diseases, or predict health outcomes.

Judgment Criteria

- Projects will be evaluated on the following criteria:
- Functionality: How well the AI solution performs its intended tasks.
- Innovation: Creative use of AI technology and algorithms.
- Practicality: The real-world applicability and usability of the solution.
- Coding Quality: The efficiency, readability, and maintainability of the code.
- Presentation and Explanation: The team's ability to communicate their project's purpose and functionality effectively.

Founder Rancho labs

Mr. Anshul – 7427800499

AI Path Finder

BOT DESIGN

Event Rules

- Class: IX-XII
- No. of Participants: 2-3
- Time: 2 hrs.
- Competition Overview: Participants will design, build, and program to pick-up and delivery robots capable of navigating predefined routes and completing tasks. This challenge aims to introduce young minds to the fascinating world of robotics and AI, fostering problem-solving skills and hands-on experience.
- Bot Design: Participants will create detailed designs of their pick-up and delivery bots, including specifications, materials, and mechanical components.
- Programming: Competitors will code the robots to perform specific tasks, emphasizing navigation and object manipulation, pickup and drop.
- Testing and Optimization: Teams will have the opportunity to test and refine their bots in a controlled environment.
- Competition Day: On the big day, bots will compete in a series of challenges, including picking up and delivering objects, navigating obstacles, and completing tasks with precision.

Judgment Criteria

Teams will be assessed on based on time taken, performance, accuracy in completing challenges

COMPUTERS

Go Green Breathe Clean

DIGITAL PAINTING

Event Rules

- Class: I -II
- No. of Participants: 2
- Software :Krita
- Topic: Life Under Sea
- Time: 1.5 hrs.
- Participants have to create an attractive digital painting using the mentioned software.
- Internet is accessible to take relevant pictures and other information.

Judgment Criteria

Clarity, & Relevance to the Topic, Innovation, Creativity, presentation.

Pixel Pulse

PIXLR FUSION FESTIVAL

Event Rules

- Class: IV-V
- No. of Participants: 2
- Software :PixlrX
- Topic: On the Spot
- Time: 1 hr.
- Participants will create fusion of digital art and graphic design on a specific topic.
- Participant may take images from internet for their design.

Judgment Criteria

Creativity, relevance to the topic, innovation & overall presentation

Blend It

3D DESIGN

Event Rules

- Class: Open
- No. of Participants: 2
- Software :Blender
- Topic: High-speed racing drone
- Time: 2 hrs. (1.5 hrs to design 30 min. to render)
- Participants, need to design a 3D model on the given topic for a high-speed racing drone with animation.
- The design should be innovative.
- Participants using their own resources /materials will result in disqualification.

Judgment Criteria

Texturing & Environment, Innovation and Design, Usage of tools, Overall presentation

AI-Artistry INTEGRATING ART WITH AI

Event Rules

- Class: Open
- No. of Participants: 2
- Software : Any artificial Intelligence tool
- Topic: Any SDG
- Time: 2 hrs.
- The art work must be designed in any AI tool.
- Participants have to present their artwork with a proper explanation.

Judgment Criteria

Theme, creativity, visual appeal, overall presentation.

MINEVILLE WONDERLAND (ONLINE)

Event Rules

- Class: VI-VIII
- No. of Participants: 1
- Software : Minecraft
- Topic: Wonder World
- Time: 1 min. video
- Create a world on the given topic using Minecraft and send the link to the given link on or before 28.10.23
- The world has to be sent in form of video file.
<https://shorturl.at/bAJ67>

Judgment Criteria

Cinema Scope DOCUMENTARY

Event Rules

- Any Movie software
- Class: Open
- No. of Participants: 3
- Topic : Melange....A Journer
- Participants have to shoot clippings of the entire fest and submit a documentary (combination of software) on day II by 10:30 am in a rendered format
- Participants can also shoot on Day II but failing to submit on time will result in disqualification.
- Maximum length of the documentary will be of 3 min.
- Participants have to bring their own gears (camera, tripod, laptop) etc.
- Wi-fi will be provided by the host school in case of requirement

Judgment Criteria

Overall presentation

Vector Fusion UNLEASHING CREATIVITY(ONLINE)

Event Rules

- Class: VI-VIII
 - No. of Participants: 2
 - Software : Vector
 - Topic: "Vasudhaiva Kutumbakam -G20".
 - Participants to create a graphic design using the above mentioned software
 - If any copyrighted content is used, specifying credits are compulsory
 - Explanation on the given topic must be used in form of/written/verbal form
- Requirements**
- Format – Jpeg or PDF
 - File Size – up to 50 MB
- Participants must submit the graphic in the given link on or before 28.10.23
<https://bit.ly/3RSrFo2>

Judgment Criteria

Design, idea, relevance with the Theme, content

App Synergy INDIA ON MOON (ONLINE)

Event Rules

- Class: VI-VIII
- No. of Participants: 2
- Software : MIT App Inventor
- Time: 30-60 second video
- Topic: "The contribution of Indian scientists in space mission Chandrayan-III"
- The image resolutions used should be compatible to all devices.
- Home Screen buttons are easily read and fully visible without having to scroll.
- Text and media elements must be accurate.
- Participants might be asked to present the software vector files by the jury.

Requirements

- Students must submit the document along with the .apk of their app and submit the same in the given link on or before 28.10.23

<https://bit.ly/3RSrFo2>

Judgment Criteria

Effective identification, attractive visual design, higher level of sophistication / depth of information,

SyncUp

AI VIDEO CREATION CHALLENGE (ONLINE)

Objective: The objective of this competition is to harness the power of AI to create visually stunning and innovative music videos for a specific song.

Event Rules

- Class: IX-X
 - No. of Participants: 2
 - Software : Any artificial Intelligence tool
 - Time: 5-7 presentation time
 - Participants to prepare an AI musical video and will have to present it online.
 - Online link will be provided to the participating team prior to the event.
 - For further information kindly contact
 - Music can be taken from hindi films.
 - Meeting id will be shared and the event will be conducted online on 01.11.23
- For any further information contact:
Ms. Ritika, Mob-8160209678

Competition Format:

1. Song Selection: Choose a specific song as the theme of the competition. This song will serve as the soundtrack for the AI-generated music videos.
2. Team Formation: Participants can compete individually or form teams, including members with skills in AI, video editing, and creative design.
3. Content Generation: Participants will use the AI model to generate music videos that are synchronized with the chosen song. They can customize and fine-tune the AI-generated visuals to enhance creativity and storytelling. Participants are allowed to use any platform on the internet to develop the video.
4. Evaluation: A panel of judges, including experts in music, film, and AI, will evaluate the music videos based on criteria such as creativity, synchronization with the music, visual storytelling, and overall impact.

Benefits:

- Fosters creativity and innovation in AI-driven content creation.
- Provides a platform for AI enthusiasts, filmmakers, and musicians to collaborate and showcase their talents.
- Creates visually captivating music videos that can promote the chosen song and artist.

SHERLOCKED CRYPTIC HUNT (ONLINE)

Cryptic online hunt which will make you think like you never did before. It's a CTF event where you will be given hints on the basis of which you need to answer and move on to the next level. The hint can be anywhere like in a search engine, a streaming platform or in your school.

Event Rules

- Class: Open
- No. of Participants: Infinite
- Topic : Online hunt
- Time limit: 48 hrs
- Hints to each level will be uploaded on the cyber crew website.
- Only one participant will get the winning trophy

Judgment Criteria

Number of levels traced

VIRTUAL WARRIORS GAMING (ONLINE)

Event Rules

- Software: Game-Valorant
- Class: Open
- No. of Participants: 1+4
- Only first 20 entries will be allowed to participate
- For event details
- visit www.cybercrew.sajs.co.in

Judgment Criteria

- Final Score

CIPHERED CASE SURPRISE EVENT(OFFLINE)

Event Rules

- Class: IX-XII
- No. of Participants: 2
- Time limit: 2 hrs.
- The application will be revealed on the spot.
- First half hour will be used to explore the application.
- Teams have to finish the assignment within the provided time.
- No request for grace marking or change of application or the assignment shall be entertained.
- Participants will be disqualified if their idea is found to be plagiarized.
- Use of personal resources will result in immediate disqualification

Judgment Criteria

Teams will be assessed on the basis of their creativity, promptness and originality.

Dezine POSTER DESIGN (ONLINE)

Event Rules

- Software: Adobe Express
- Class: VI-VIII
- No. of Participants: 2
- Topic : Vintage Realism
- Students will create a web post using Adobe Express and its resources.
- This event is participated by schools all across the Globe.
- Entries to be sent latest by 28.10.23 in the following link <https://forms.office.com/r/GwQC42SjBz>

Judgment Criteria

Theme, usage of tools, creativity, overall Presentation

DANCE

Seasonal Beats DEPICTING SEASONS

Event Rules

- Class: IX-XII
- No. of Participants: 6-8
- Topic: Any cultural theme (India)
- Time: 3-4 min.
- Dance form : Any
- Bollywood songs are strictly prohibited.
- Music and props to be brought by the participating teams.

Judgment Criteria

Interpretation of theme, costumes/props, coordination & choreography, presentation.

SPORTS

The Queen's Gambit RAPID CHESS TOURNAMENT

Event Rules

- Age: Under 14 (born after 01.01.2009)
- No. of Participants: Team of 4 (one girl mandatory)
- Topic: Rapid Tournament
- Time control: 25 min.+10 min.
- Rules of AICF and FIDE shall apply for this competition.
- The tournament will be according to SWISS System (4/5 rounds).
- The match would be played as per FIDE laws.
- The decision of the arbiter shall be final and binding on the player.
- The final position shall be determined by the total number of points scored by each team.
- In case of tie, the latest FIDE rules shall come into effect.
- Last date of Registration: 28 October 2023
- For further information refer to the link <https://bit.ly/48NQdVq>

Judgment Criteria

On the basis of score recorded by Swiss manager/Swiss perfect

DAY 2

Saturday
04.11.2023

ENGLISH

Ace the Speech DEBATE

Event Rules

- Class: IX- XII
- No. of Participants: 2
